

What the World Needs Now

Chorus:

What the world needs now is love sweet love
It's the only thing that there's just too little of
What the world needs now is love sweet love
No not just for some but for everyone

First Verse:

Lord we don't need another mountain,
There are mountains and hillsides enough to climb
There are oceans and rivers enough to cross, enough to last til the end
of time
(Repeat the chorus)

Second verse:

Lord we don't need another meadow
There are cornfields and wheatfields enough to grow
There are sunbeams and moonbeams enough to shine,
Oh listen Lord if you want to know
(Repeat the chorus)

Edelweiss

Edelweiss, Edelweiss, every morning you greet me
Small and white, clean and bright
You look happy to meet me
Blossom of snow may you bloom and grow
Bloom and grow forever
Edelweiss, Edelweiss, bless my homeland forever.
(Repeat)
